- 1 Playing spot
- Dinner.
- Recognition both on course and at dinner reception.

**Point-After Sponsor  
\$ 250.00 or equivalent prize**

- Recognition both on course and at dinner reception.

**OVERVIEW**

The Calgary Bantam Football Association is a full contact tackle football league for youths 13 – 15 years.

The League is comprised of 13 teams nine of which are in Calgary, and four which encompass the surrounding communities, all teams play their games at Shouldice Park in Northwest Calgary.

**LEAGUE HISTORY**

In 1949 Douglas Austin of the south Calgary Optimist Club along with Keith Spaith and Paul Rowe (1948 Calgary Stampeders Grey Cup Champions) started contact football in Calgary for 12 to 15 year olds called Mighty Mite Football. The north Calgary Optimist clubs joined later and between the two clubs they sponsored eight teams in Calgary (4 North and 4 South). Most of the money for the teams was raised through the selling of Easter baskets. Their games were played at Mewata Stadium.

The Calgary Bantam Football Association was formed in 1964 by a group of coaches who wanted to see all city teams treated equally in terms of equipment quality and fundraising abilities. One of those original founders Mr. Jim Courchesne still serves on the CBFA board of directors.

In October 2008, Mr. Ted Bancks one of the founding members of the Calgary Bantam Football Association, passed away suddenly. In Ted's honor, we have started the Ted Bancks Memorial Golf Tournament with all proceeds from this event going to furnish the Ted Bancks Memorial meeting room at the new Shouldice Football Stadium.
